

Johnstown ONTARIO

LOGISTEC

With a new wharf and expanded laydown area, Johnstown is a thriving and efficient port of entry along the Great Lakes and St. Lawrence corridor. It offers convenient intermodal access to the Ottawa Valley and Greater Toronto Area, and is about two hours from the Québec border.

Logistec provides cargo handling services for steel and other break-bulk, including project cargo and oversized pieces headed to key end markets and project sites throughout Ontario.
