

# 10 reasons to choose Logistec

## 01. STRATEGIC LOCATIONS

Our terminals and ports are located in major cities and key urban hubs across North America, serving the world.

## 02. CONNECTIVITY

We chose our terminal locations specifically because they allow for easy access by road, rail and water, critical to smooth and timely service.

## 03. EXPERTISE

With over 2,400 dedicated experts across North America, your bulk and break-bulk products are in great hands.

## 04. IMAGINATION

Our people generate new and unique solutions every day to bring the best service to our bulk and break-bulk customers.

## 05. RELIABILITY

Over the years, our solid processes have allowed us to establish reliable, innovative and flexible supply chain services, adapting to our customers' needs.

## 06. COLLABORATION

We work very closely with key partners to provide seamless service, together developing the most efficient way to move your products.

## 07. DIVERSIFIED CARGO

Beyond bulk & break-bulk commodities, Logistec also handles containers including stuffing, destuffing, drayage and transportation.

## 08. SAFETY

Always top of mind, we live by the motto "Looking out for each other" an example of working as a team to ensure everyone goes home safely at the end of the day.

## 09. ENVIRONMENT

As a founding member of Green Marine, we are conscious of our footprint on land, air and waterways that are vital to the communities in which we operate.

## 10. SMART INVESTMENTS

Investing in people (our most precious asset), modern equipment and technology means we will continue to be an industry leader.

# LOGISTEC

## A leading terminal operator

# Your products, our people

More important than having the right equipment, the LOGISTEC family of over 2,400 experts go above and beyond every day for our customers, to safely and efficiently handle bulk and break-bulk commodities including:

### BULK

- Iron ore and aggregates
- Coal and petcoke
- Grain and fertilizers
- Scrap metal
- Biomass
- Gypsum
- Sugar
- Salt

### BREAK-BULK

- Paper and woodpulp
- Lumber and plywood
- Steel and aluminium
- Fruit and other refrigerated cargoes
- Windmills and project cargo

# Environmental Excellence

LOGISTEC's one-of-a-kind combination of marine and environmental services provided by Sanexen, a member of the LOGISTEC family, makes us unique in the industry. Our customers and communities benefit from Sanexen's expertise and assistance in dealing with environmental challenges, with over \$1B of environmental projects managed across Canada. We are also a founding member of Green Marine and conscious of our footprint on land, in the air and on waterways that are so vital to the communities in which we operate.

# Working hand in hand with our customers

Our customers' input is very important to us. They really are part of the team when it comes to designing the right solutions to move their products. Our operations staff are experts in what they do, relying on years of experience implementing innovation solutions for our customers. Our customers work with us to ensure we are able to deliver a cost-effective and efficient service every time.

Our people are our most precious asset.
