SEPT-ÎLES, QUÉBEC

LOGISTEC

The Port of Sept-Îles is a deep-water port in which Logistec can handle bulk, break-bulk, and project cargo for mining companies, shippers, and import/export businesses. This strategic location is at the heart of Plan Nord projects and markets, and is ideal for short sea shipping and the natural resources industry.

We operate at the La Relance, Pointe-Noire and Pointe-aux-Basques terminals. Our experienced team is recognized for their commitment to innovation and HSE.
