

# Richmond Terminal

## HALIFAX, NOVA SCOTIA

LOGISTEC

At this location, we handle forest products, steel, wind energy components, and 'mega project' cargo, including heavy lift. Our mobile harbour cranes and specialized equipment complement the enlarged open pier at this multi-purpose facility.

Our experienced team of professionals offers transloading, stuffing/destuffing of containers, and other port logistics services to help connect quickly and cost-effectively with intermodal transport via CN rail directly at the port.
