

Mulgrave Terminal

STRAIT OF CANSO, NOVA SCOTIA

LOGISTEC

The Port of Mulgrave is located on the western shore of the Strait of Canso. The 2.8-hectare terminal is positioned to service the energy industry through its strategic location, excellent infrastructure, skilled workforce, and supply base services including the oil and gas and wind energy sectors. The terminal can also serve a range of bulk and breakbulk cargo with warehousing and lay-down areas offsite and at dockside.
