

Lemont ILLINOIS

Our Lemont terminal is located on the Chicago Sanitary and Ship Canal, and provides an optimal location for transferring cargo from barge-to-truck, enabling shippers to take advantage of the significant cost efficiencies of barging while meeting customers' demands for truck delivery.

With close access to Interstate Highways 55, 88, 294 and 355, the facility has over 13 acres of land and serves the greater Chicago area from the Calumet Sag Channel and Chicago River south to the Illinois River.
