

Brunswick GEORGIA

LOGISTEC

Logistec operates a deep-water facility specializing in bulk and agri-bulk material handling at East River Terminal.

This newly renovated facility offers over 670,000 square feet of indoor storage space, much of which has been designed specifically to handle wood pellets and other cargo for the biomass industry. We're also equipped to handle bulk commodities such as animal feed, aggregates, perlite, fertilizer, urea, and salt.

SERVICES OFFERED

Cargo handling
Stevedoring
Warehousing
Bagging
Inventory management

EQUIPMENT

Conveyors (stationary and mobile)
Gantry crane
